### Gospel Tech Nights

Nathan Sutherland from Gospel Tech will be coming to PNC to hold 2 amazing workshops to help us (Parents/Grandparents/Adults) navigate technology for our children & teens. Technology can be overwhelming and Gospel Tech's mission is to provide families with truth, encouragement, and practical tools that help your family reach its full potential.

### Edge Events

Events for XtremeKids in 4th -6th grade! These events happen every other month on the 3rd Friday of the month! These events are designed for kids to have fun and connect with one another! Friends are always welcome!

### Family Events

We have a family event every other month! These events are designed for families to have fun together and spend time with other families! Everyone is welcome!
